MINORITY CHIEF WHIP  
DATE : 24<sup>TH</sup> OCTOBER, 2022  
SUBJECT : MOTION FOR VOTE OF CENSURE

=====  
That this Honourable House passes a vote of censure on the Minister responsible for Finance Mr. Ken Ofori-Atta in accordance with Article 82 of the 1992 Constitution on the following grounds;

1. Despicable conflict of Interest ensuring that he directly benefits from Ghana's economic woes as his companies receive commissions and other unethical contractual advantage, particularly from Ghana's debt overhang.
2. Unconstitutional withdrawals from the Consolidated Fund in blatant contravention of Article 178 of the 1992 Constitution supposedly for the construction of the President's Cathedral;
3. Illegal payment of oil revenues into offshore accounts in flagrant violation of Article 176 of the 1992 Constitution;
4. Deliberate and dishonest misreporting of economic data to Parliament
5. Fiscal recklessness leading to the crash of the Ghana Cedi which is currently the worst performing currency in the world;
6. Alarming incompetence and frightening ineptitude resulting in the collapse of the Ghanaian economy and an excruciating cost of living crisis;
